Fall 2025*

Fall Crochet

The first big crochet event in the fall is DFW Fiber Fest. Between volunteering, yarn bombing, taking classes, having our meeting at the conference, and even playing bingo, there was a lot for Crochet Texans to do.

And of course there was the vendor mart, with all the incredible yarn. But as a reminder to everyone, next year's DFW Fiber Fest will be in August. This means they will be able to use all four floors of the conference center. Six additional classrooms will be available, allowing more amazing teachers and an expanded lineup of classes.

Behind the scenes, DFW Fiber Fest will be upgrading their registration and class management software, so registration, class sign-ups, and homework distribution will all run more smoothly.

Fall is also the time we announce the Crochet Texas! winners at the State Fair of Texas! Congratulations!
